PEACE & TRANQUILITY

Only 2 hours drive from Sydney.

Set in 40 acres of rolling countryside, Elsewhere is a traditional cedar homestead graced with wrap-around verandahs.

Large picture windows, in an open plan lounge with cathedral ceilings, allow you to enjoy the sweeping views of rolling green hills and Australian bush from the comfort of your armchair.

Your days may be spent in the secluded dell picnicking by the meandering creek and watching the local wildlife or, perhaps you would prefer to simply curl up in front of the fire with a good book from our selection and listen to your favourite CD.

Feeling energetic? Then choose from our full suspension or standard mountain bikes and ride down to the creek or explore one of the many nearby bushwalks, including the famous 'Six Foot Track'.

With a fully equipped kitchen at your disposal you can prepare your own gourmet delight. If al fresco cooking is more your style, a 7 burner BBQ will keep you busy. If you'd rather leave the cooking to someone else, we can organise a gourmet chef to prepare a feast for you and your friends or to home deliver some yummy fare.

Whatever you fancy, Elsewhere is the ideal place to take a break and enjoy the ambience of the Blue Mountains in blissful solitude.
